

*Congratulations!*  
*2013 Joseph H. Levi*  
*Memorial Scholarship Winner*  
**DANIEL SCHIELE**

**Tabb High School Class of 2013**  
**Bound for the James Madison University!**  
**Health Sciences Major**

Daniel graduates from Tabb High School in the top 10 percent of his graduating class with an overall GPA of 4.25. A member of the National Honor Society, the English Honor Society, the Spanish Honor Society, and Mu Alpha Theta, Daniel has maintained highest academic honors throughout high school. He was honored to be selected Senior of the Month for January 2013.

Daniel served as Captain of Tabb High's varsity football team for the past two years while starting and lettering for three. Daniel was selected First Team, All District Quarterback, and Second Team All-District Punter for his senior year. He also enjoys basketball and was a two year starter and letter holder in that sport at Tabb. He was honored to be selected Second Team All-District for Basketball this year. Daniel recognizes the many benefits of athletics and noted that, "being part of a team teaches leadership, hard work, responsibility, teamwork, and time management."

Despite the heavy time commitment to academics and sports, Daniel managed to put in over 200 volunteer hours to help in the community. As an athlete, Daniel particularly enjoyed helping out with the Special Olympics in both 2011 and 2012. His hours spent with the participants were very rewarding. Daniel reflected on how this experience "made him appreciate the competition and determination of the athletes." He recalls how "the passion and enthusiasm that is displayed by the athletes in this program is contagious." As a leader on the field and the basketball court, Daniel brought valuable guidance and support to the Special Olympics athletes so that they could enjoy the sports that so many others do.

A leader on the field and off, Daniel recently participated as an ambassador for the York County 3-D Driving Drunk and Distracted program. He also worked many hours for the Tabb High Booster Club during the Legends Dinner and other events like the Golf Tournament. He's participated and helped with Relay for Life and many other events in the school and community.

James Madison University is where Daniel will pursue a degree in Health Sciences this fall. He will play on the football team at JMU and his goal as a member of the team is to earn playing time at whatever position best helps the team. Upon graduation from James Madison University, Daniel hopes to remain involved with athletics, possibly coaching or doing something in the health sciences/sports medicine field.

It is evident the Daniel will be missed at Tabb High. In a recommendation for him, his teacher stated, "Daniel represents what a scholar-athlete should be. He is a role model for his peers, a joy as a student in the classroom, and a leader for the sports teams on which he contributes and plays. Daniel epitomizes what Joe Levi liked about kids in general."

Daniel is the son of very proud parents Richard and Kara Schiele.

*Best of luck at James Madison University*

*2013 Levi Scholarship Winner ~ Daniel Schiele!*
