At Pocatello High School, Karlle has been a successful athlete. Karlle was the 2011 Tennis State Champion in mixed doubles. She has been on varsity tennis for three years and has been the varsity tennis captain all three years. Karlle's tennis club coach has known Karlle for ten years and says, "I have not had another tennis player that has had such a positive attitude and effect on our tennis program". He describes how Karlle has a gift when dealing with younger players and calls her a "very gifted athlete." In the summers, Karlle use her expertise to teach tennis skills to younger players. Karlle was also a member of the 2012 4A Volleyball Academic State Champions. She has played varsity volleyball since 2009 and has been captain of the team since 2010.

Karlle was not only a student athlete at Pocatello High School. Karlle has participated in a wide range of activities to give back to her community and help others. She was a member of the Girls' choir from 2008-2009, and has been with the senior choir since 2009. Using her ability to inspire others to learn, Karlle tutored 3<sup>rd</sup> graders at an elementary school in reading and was a teaching assistant in a Title One kindergarten class. Karlle is also a National Honor Society member and has volunteered for various activities such as the Festival of Trees and the Pocatello High School Clothing Drive. A Sunday school teacher for pre-school and elementary students for three years, she devoted her time to work with children as a Bible camp counselor in the summer. Karlle has been a Pocatello Kiwanis Club Volunteer since 2011, and has participated in numerous events to help the community including pancake breakfast fundraisers and Christmas parties for underprivileged children. She also designed and managed fundraising booths to provide essential school supplies for needy children in South America and Haiti. It is clear that Karlle has left an impact on her school and community and will be missed at Pocatello. Her teacher says, "Karlle is one of those rare students that teachers only encounter once or twice in their career." Karlle will pursue her studies at Boise State University in the fall.

James and Kathy Standley are the very proud parents of Karlle. James is in outside sales at Branch # 3056.
